God of signs and wonders,
hear our prayers.

open our eyes to find you today in the wonders of your creation and in all who work
for the preservation of your beautiful world.
God of signs and wonders,
hear our prayer.

open our eyes to find you today in the weak and vulnerable people of the world and
in all who choose to set aside pomp and privilege.
God of signs and wonders,
hear our prayer.

You reveal yourself to the world, and a tyrant is filled with fear;

God of signs and wonders,
hear our prayer.

You reveal yourself to the world, and we share in the promise of your glory;
open our eyes to find you today that we may neither carelessly miss nor wilfully
ignore your presence among us.
May we, like the sages of old, read the signs of your coming, follow your light and
be drawn to adoration in your presence.
God of signs and wonders,
hear our prayer.

God of all peoples,
you consecrated this day
by calling the first of the gentile nations
to follow Christ as the bright star of morning
and adore him as the Word made Flesh.
Let the light of the Christian faith
so illuminate the life of your people
that all may see our good works
and give you the glory.
We make this prayer through Jesus Christ,
who is one with you and the Holy Spirit,
now and for ever. **Amen.**
