### **Who can be married in an Anglican Church?**

All are welcome to explore being married in the Anglican way. It is important that couples seeking marriage here understand that what we offer is not just a beautiful sacred space for their wedding ceremony but also a way to be married. That way is Christian and in the Anglican tradition. In coming to the Christian Church for marriage, it is understood that couples seek to have their commitment to one another made before God and with God's blessing. It is after all a religious ceremony. More information about this aspect will be given to you at your initial interview with Fr Dennis Webster.

Under the changes in Federal Law to the Marriage Act 1961, the Church rules regarding same-gender marriage apply. What this means is that the Anglican Church in Australia does NOT permit any licensed clergy to undertake such a wedding. The Parish of Gisborne would welcome the opportunity to meet with same-gendered couples pastorally to discuss this matter further.

### **Who can marry us at Church?**

An Anglican priest must be the officiant at your wedding if the wedding is to be conducted in a building belonging to the Anglican Church. Unfortunately, the Parish is not permitted to hire the Church to other a civil celebrant officiated wedding, or another denomination. If you know an Anglican priest and would like him/her to be the officiant then this is possible. You can explore this possibility with the priest concerned either prior to or after the initial interview with Fr Dennis.

### **What about preparation?**

The Anglican Church not only seeks to help couples plan and celebrate their wedding but importantly also assist in the preparation for 'marriage'. Therefore all couples married in an Anglican are required to undertake some marriage preparation. Details of the options available for this preparation will be given to you by Fr Dennis.

## **What will it cost?**

No fee is charged for the pastoral ministry of the church offered by the priest before or during the marriage ceremony. All the Christian sacraments are free, for God's grace is sheer gift. However there are expenses that need to be reimbursed. Currently, Parish expenses amount to \$800.00. This includes provision of the organist, flowers, marriage education, and administration. All documents are provided including your marriage certificate which is printed in an attractive style. **A non-refundable booking fee of \$150.00 is required to confirm your arrangements.**

This is done by completing a letter of confirmation that will be provided at the initial interview and is then to be returned to the Parish Office with the booking fee. A receipt and confirmation letter will then be forwarded to you.

## **What official documents must we produce?**

Birth certificates for both of you, together with divorce papers/death certificate where necessary. A current photograph ID is also required: usually a motor vehicle license will suffice. If you are born overseas a current valid passport is acceptable.

## **Photographs in church?**

We want you to have a good photographic record of your marriage, but we also want everyone to be really present during the ceremony, rather than experience it afterwards as a media event! Photographers (professional and amateur) are very welcome but must observe parish guidelines which will be provided to you to pass on to your photographer.

## **Music**

An organist / pianist will be provided for your ceremony. Due to copyright laws it usually not possible to have an entire ceremony of recorded music unless permission is given. However a combination of live music and some recorded music is permissible. We will make every effort to assist <sup>3</sup> in your preferences for music within the ceremony.

### **Flowers and other Decorations?**

Flowers, ribbons, bows or other decorations on pew ends are permitted. If you decide you want pew decoration, they need to *slip* on and off easily, and must be placed and removed *immediately* before and after the wedding.

Flower arrangements for the Church can either be arranged by the couple through a professional florist, or to have seasonal flowers according to the Church's year. A contribution of \$90 is suggested for the Parish to provide flowers.

### **Confetti?**

Confetti in any form – paper, rose petals, rice (boiled or not) – is not permitted under any circumstances in or around the church precincts.

### **Rehearsal**

A full rehearsal – but not a dress rehearsal – for everyone in your wedding party is usually held in the week prior to your marriage at a time convenient to you and the presiding priest. At this rehearsal, the bride and groom are required to sign a Statuary Declaration (at least one day prior to the ceremony). This declaration states that there is no impediment to the ceremony going ahead.
